AM I ELIGIBLE?
The School of Visual Arts is making available a Student Health Insurance program (hereinafter called "plan") underwritten by Nationwide Life Insurance Company and administered by Consolidated Health Plans. This brochure provides a general summary of the insurance coverage; the Schedule of Benefits is not all inclusive of eligible benefits payable under this plan. Keep this brochure as no individual policy will be issued. This summary is not a contract; however, the Master Policy will be available for review upon request. The Master Policy contains the contract provisions and shall prevail in the event of any conflict between this brochure and the Master Policy.

If You are eligible to be covered under this Program, You are automatically enrolled unless You can certify that You have comparable coverage.

DECEMBER GRADUATES POLICY
Those students that complete their studies at the School of Visual Arts in December or those students who will not be enrolled in classes for the Spring semester will not be covered. Coverage will terminate 12:01 a.m. on February 24, 2016 and cannot be continued.

Credits from online courses are applicable toward satisfying full time student eligibility as long as some credits are from on-campus courses. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the policy Eligibility requirements have been met. If the Company discovers the Eligibility requirements have not been met, its only obligation is to refund premium, minus any claims paid.

HOW DO I WAIVE?
Eligible students will automatically be enrolled in this Plan, unless a student competes an online waiver at www.sva.edu/uhp by the specified deadlines listed below:

Waiver submissions may be audited by School of Visual Arts, University Health Plans, and/or their contractors or representatives. You may be required to provide, upon request, any coverage documents and/or other records demonstrating that you meet the school’s requirements for waiving the student health insurance plan. By submitting the waiver request, you agree that your current insurance plan may be contracted for confirmation that your coverage is inforce for the applicable policy year and that it meets the school’s waiver requirements.

The refund of premium policy will not apply to a student who withdraws due to a covered Injury or Sickness. A student who withdraws from classes during the first 31 days of a coverage period due to a covered Injury or Sickness will be allowed to continue on the plan to the end of the period for which premium has been paid.

COVERAGE FOR DEPENDENTS
Insured Students who are enrolled in the Student Health Insurance Plan may also enroll their eligible Dependents. Eligible dependents under the plan include the Insured person’s spouse, domestic partner, and dependent children under age twenty-six (26). Dependent Eligibility expires concurrently with that of the Insured Student. Students may also enroll their Dependents within thirty-one (31) days of an eligible qualifying event. Eligible qualifying events for a Dependent are defined in the Master Policy. Enrollment requests (including payments) received after the thirty-one (31) days following the qualifying event will not be accepted. Coverage will be effective as of the date of the qualifying event.

TERMINATION

Coverage will terminate at 11:59 p.m. standard time at the Policyholder’s address on the earliest of:

- The Termination Date of the Policy;
- The last day of the term of Coverage for which Premium is paid;
- The date a Covered Person enters full time active military service. Upon written request within 90 days of leaving school, We will refund the unearned pro-rata Premium to such person upon request;
- The date the Covered Person departs the Policyholder’s school for their Home Country. No Benefits will be payable for any medical treatment received in the Covered Person’s Home Country; or
- The last date of the period for which Premium has been paid following the date a Dependent ceases to be a Dependent as defined.

Termination is subject to the Extension of Benefits provision.

EXTENSION OF BENEFITS

When Your coverage under this Plan ends, benefits stop. If You are totally disabled on the date Your coverage under this Certificate terminates, continued benefits may be available for the treatment of the injury or sickness that is the cause of the total disability. If You are pregnant on the date Your coverage under this Certificate terminates, continued benefits may be available for Your maternity care.

For purposes of this section, “total disability” means You are prevented because of injury or disease from engaging in any work or other gainful activity. Total disability for a minor means that the minor is prevented because of injury or disease from engaging in substantially all of the normal activities of a person of like age and sex who is in good health.

A. When You May Continue Benefit.

1. If You are totally disabled on the date Your coverage under this Plan terminates, We will continue to pay for Your care under this Certificate during an uninterrupted period of total disability until the first of the following:
   - The date You are no longer totally disabled; or
   - Ninety (90) days from the date extended benefits began (if Your benefits are extended based on termination of Student status).

2. If You are pregnant on the date Your coverage under this Plan terminates, We will continue to pay for Your maternity care through delivery and any post-partum services directly related to the delivery.

B. Limits on Extended Benefits.

We will not pay extended benefits:

- For any Member who is not totally disabled or pregnant on the date coverage under this Certificate ends; or
- Beyond the extent to which We would have paid benefits under this Certificate if coverage had not ended.

CONTINUATION OF COVERAGE

You, the Student, Your Spouse, and Your Children may be able to temporarily continue coverage under this Plan in certain situations when You would otherwise lose coverage, known as qualifying events.

1. If Your coverage ends due to the termination of Your Student status You may continue coverage. Coverage may be continued for You, Your Spouse and any of Your covered Children.

2. If You are a covered Spouse, You may continue coverage if Your coverage ends due to:
   - Termination of the Student’s status as a Student;
   - Divorce or legal separation from the Student; or
   - Death of the Student.

3. If You are a covered Child, You may continue coverage if Your coverage ends due to:
   - Termination of the Student’s status as a Student;
   - Loss of covered Child status under the plan rules; or
   - Death of the Student.

If You want to continue coverage, You must request continuation from Us in writing and make the first Premium payment within the sixty (60)-day period following the later of:

1. The date coverage would otherwise terminate; or
2. The date You are sent notice by first class mail of the right of continuation by Us.

Continued coverage under this section will terminate at the earliest of the following:

1. The date ninety (90) days after the Student’s coverage would have terminated because of termination of Student status;
2. If You are a covered Spouse or Child, the date ninety (90) days after coverage would have terminated due to the death of the Student, divorce or legal separation, the Student’s eligibility for Medicare, or the failure to qualify under the definition of “Children”;
3. The date You become covered by an insured or uninsured arrangement that provides hospital, surgical or medical coverage;
4. The date You become entitled to Medicare;
5. The date to which Premiums are paid if You fail to make a timely payment; or
6. The date the Policy terminates. However, if the Policy is replaced with similar coverage, You have the right to become covered under the new Policy for the balance of the period remaining for Your continued coverage.

SERVICES SUBJECT TO PREAUTHORIZATION

Preauthorization is required before You receive certain Covered Services. Your Participating Provider is responsible for requesting Preauthorization for in-network services and You are responsible for requesting Preauthorization for the out-of-network services listed in the Schedule of Benefits section.
Preauthorization Notification Procedure.

If You seek coverage for services that require Preauthorization, You or Your Provider must call Us at the number on Your ID card.

You or Your Provider must contact Us to request Preauthorization as follows:

- At least one (1) week prior to a planned admission or surgery when Your Provider recommends inpatient Hospitalization. If that is not possible, then as soon as reasonably possible during regular business hours prior to the admission.

You must contact Us to provide notification as follows:

- If You are hospitalized in cases of an Emergency Condition, You must call Us within forty-eight (48) hours after Your admission or as soon thereafter as reasonably possible.

After receiving a request for approval, We will review the reasons for Your planned treatment and determine if benefits are available. Criteria will be based on multiple sources which may include medical policy, clinical guidelines, and pharmacy and therapeutic guidelines.

PREMIUM REFUND POLICY

Any Insured Student withdrawing from the college during the first thirty-one (31) days of the period for which coverage is purchased shall not be covered under the Policy and a full refund of the premium will be made minus any claims. Students withdrawing after thirty-one (31) days will remain covered under the Policy for the full period for which premium has been paid and no refund will be made available. This is true for students on leave for medical or academic reasons, graduating students, and students electing to enroll in a separate comparable plan during the Policy Year. Premiums received by the Company are non-refundable except as specifically provided.

Covered Persons entering the armed forces of any country will not be covered under the Policy as of the date of such entry. A pro-rata refund of premium will be made for such person upon written request received by the Company within ninety (90) days of withdrawal from school. Refunds for any other reason are not available.

PREFERRED PROVIDER INFORMATION

By enrolling in this Insurance Program, you have the Cigna PPO Network of Participating Providers, providing access to quality health care at discounted fees. To find a complete listing of Cigna PPO Network of Participating Providers, go to www.cigna.com, or contact Consolidated Health Plans at (413) 733-4540, toll-free at (800) 633-7867, or www.chpstudent.com for assistance.

"Preferred Providers" are the Physicians, Hospitals and other health care providers who have contracted to provide specific medical care at negotiated prices.

If care is received within the Network from a Preferred Provider, all Covered Medical Expenses will be paid at the Preferred Provider level of benefits found on the Schedule of Benefits. In the case of an Emergency, if an Out-of-Network Provider is used, the In-Network percentage in the Schedule of Benefits will be applied.
A Covered Person is not required to seek treatment from a Preferred Provider. Each Covered Person is free to elect the services of a Provider and Benefits payable will be made in accordance with the terms and Conditions of this benefit.

"Preferred Allowance" means the amount a Preferred Provider will accept as payment in full for Covered Medical Expenses.

"Out-of-Network" providers have not agreed to any prearranged fee schedules. Insured’s may incur significant out-of-pocket expenses with these providers. Charges in excess of the insurance payment are the Insured’s responsibility.
