- b) Both institutions are agreeable to the establishment of a "1+3" Articulation Agreement upon the following conditions and areas of agreement.

1.0 AREAS OF AGREEMENT

This Agreement is intended to outline a specific course of study for 3dsense Media students who may wish to transfer into the second year BFA program Computer Art, Computer Animation and Visual Effects at SVA, as follows:

1.1 Students who have completed 21.0 studio art credits at 3dsense Media, as outlined in the attached course comparison chart, will be eligible to apply for transfer into the Bachelor of Fine Arts program in Computer Art, Computer Animation and Visual Effects at SVA and graduate with three additional years of full time study.

1.2 Transfer placement (and the awarding of transfer credits) for any student is contingent upon satisfactory review and approval by SVA's Office of Admissions, in accordance with SVA's application requirements, including and not limited to the student's portfolio, statement of intent and official test scores.

1.3 To be exempted from first year studio courses, an applicant must submit a portfolio that demonstrates strong proficiency in the areas for which they are receiving transfer credit.

1.4 A cumulative grade point average of 3.0 at 3dsense Media is required. Transfer credit will only be awarded for those courses in which students earn a grade of C or better.
